

2024 Pioneer Oil Days Annual Car Show Participant Information

March 5, 2024

Dear Pioneer Oil Days Car Show participants,

The Bolivar Lions Club will once again host the annual Pioneer Oil Days Car Show as part of our week long Pioneer Oil Days celebration in Bolivar, New York. As is the past, the car show will take place right on Main Street where multiple vendors will be set up offering food, drinks, crafts, and more!

Save the Date Saturday, June 29, 2024 New This Year! Live music by Generations!

- We are excited to announce that Generations will be on Main Street during the car show to entertain us with great music and fun! Be sure to bring those dancing shoes because we will be dancing in the street!
- The car show registration fee will stay at \$15 per car this year. As always, there is no charge for spectators. Pre-registration is encouraged to alleviate delays at the registration table.
- The first 100 participants will receive a 2024 Pioneer Oil Days towel and a goody bag. Multiple door prizes will be drawn during the event and over 25 trophies will be handed out. The list of trophies is on the back of the registration form.
- We are making a small change to our 50/50 raffle this year. Half of the car show registration fees will go to the Bolivar Lions Club as usual and the other half will be split between THREE lucky car show participants! (The split will be 50/25/25). The more registered cars we have, the bigger the winnings!
- The car show lineup will begin right after the parade, which begins at 10:00 a.m. Cars will be staged behind the Bolivar-Richburg High School by the bus garage. This area can be accessed using the bus garage entrance off of Wellsville Street.

Additional registration forms and event information can be found on our website: www.pioneeroildays.com.

If you have questions related to the car show or any of our POD events, please contact us at:

- Email: POD@bolivarlionsclub.org
- Phone: 585-610-5702 (text or call)
- Facebook: Pioneer Oil Days or Bolivar NY Lions Club

Rain or Shine, it's always a great day! We are looking forward to seeing you!

Deanna Worth,
Pioneer Oil Days Chair
